Internship

Bytecapsuleit Ltd, Dhaka | August 2025 – Present

Currently serving as a Junior Pentester Intern at Bytecapsuleit Ltd,

- HTML & CSS
- OSINT
- Nmap
- Nessus
- Virtual Machine
- Metasploit
- Hashcat
- Burpsuite
- Mimikatz

I am actively engaged in an intensive two-month program that focuses on key areas of cybersecurity. The internship provides hands-on experience in professional bug hunting methodologies, understanding the functions of a Security Operations Center (SOC), and utilizing Security Information and Event Management (SIEM) tools. I am also gaining fundamental knowledge in AI for security, ISO 27001 audit principles, and cloud security. This role is significantly enhancing my technical and analytical skills, preparing me for a career in the field of ethical hacking and cybersecurity.
